Circular in connection with the Refund.

It is observed that the public are remitting money to the treasury towards the cost of books, without ascertaining whether the books are available in the Book Depot and finding out the exact cost of the book with the result that the money paid by them has had to be refunded to them and unnecessary work has devolved on the office and the treasuries.

Lists of books (English and Kannada) which are newly printed and are ready for sale in the Book Depot are being published in the Gazette, every month. The lists are also available with all the Government Book Selling Agents and the Government Branch Book Depot Keepers in the State.

The public are therefore requested to refer to the said lists or make enquiries at the Central Book Depot, Bangalore, in the matter, before they remit money to the treasury.

It is also noticed that in some cases applications for refunds have been received in manuscript forms. As refunds are arranged in separate printed forms prescribed, applications for refund may be kindly made only in the prescribed printed forms so as to comply with audit requirements.

OFFICE OF THE SECRETARY, KOLAR DISTRICT WAR COMMITTEE, KOLAR.

Notification No. A5. C. 2522—39-40, dated 1st November 1940.

APPEAL.

1. It is proposed, as an emergency measure for the duration of the War, to constitute "Civic Guards" for the Kolar District and the Kolar Gold Fields area. Recruitment will be on a voluntary basis and the nature of duties that may be entrusted to the "Civic Guards" is indicated below :

The Civic Guards are expected to render service in connection with the maintenance of public order, anti-sabotage measures and several other aspects of internal defence. They are to assist the regular Police forces in the District in emergencies and in case of local disorder or panic. They may be posted for duty at fairs and festivals, for patrolling the town by day or by night, for collecting information about "Fifth Column" activities and pro-enemy propaganda. In case of need, they will be posted for duty in connection with Air Raid Precautions and for assisting in local efforts regarding War Publicity and Propaganda organised by the District War Committee. They will not ordinarily be called out for duty beyond the local limits of their respective towns or the district.

2. Recruitment of volunteers as "Civic Guards" will be subject to selection by the Special Sub-Committee constituted for the purpose. Thirty-six Civic Guards are required for the Kolar District area and 100 for the Kolar Gold Fields area.

3. On selection, each volunteer has to provide himself with a pair of uniforms of an approved pattern (the cost of each pair being approximately Rs. 12), and be prepared to undergo the requisite training for two hours a day on two or three days in the week for the first month, and thereafter for one hour per week. No allowance will be paid during the period of training. The question of giving some duty allowance when the "Civic Guards" are called out for duty after the period of training will be considered as and when necessity arises.

4. Gentlemen who are desirous of joining the "Civic Guards" may send their applications in the form prescribed (hereto appended and to be had from this office) to the respective District Superintendents of Police on or before the 30th November 1940. Those between the age of 20 and 45, with a good physique and with the minimum educational qualification, *viz.*, a course in the Mysore Middle School or any other equivalent course only need apply. Exemptions will, however, be considered.

5. Government servants, as such, are not precluded from enlisting as Civic Guards. The services of School Masters and Scouters in charge of Scout Organisations are specially required for appointment as Group Commanders of Civic Guards.

6. It is earnestly hoped that in response to this appeal, many citizens of Kolar District would be ready to offer their loyal services and thereby supplement the War effort now being made by the Kolar District War Committee.

J. B. MALLARADHYA,
Secretary.

It is, however, open to Government in proper cases to revise the said order confirming the sale.

3. The successful tenderer shall within fifteen days of receipt of intimation of confirmation of the sale in his favour execute an agreement in the prescribed form on a duly stamped paper binding himself and his heirs to observe the conditions thereinafter set forth and to be subject to the penalties, forfeitures and liabilities referred to therein and when he does not hold property in Mysore, shall furnish at least two sureties who own sufficient property in the Mysore State for the due performance of the contract and if he is a non-resident foreigner, he shall also agree to submit himself to the jurisdiction of the Civil Courts in Mysore and to be bound by any decree *ex parte* or otherwise that may be passed against him by such Courts for any sums due in respect of the contract amount.

7. The contractor shall collect tolls only at the rates specified in Schedule 'B' and at the toll-gates and on traffic specified in Schedule 'A'.

8. The contractor shall give to the person paying a toll a proper receipt showing the date and hour of payment of toll. Endorsement.—

This film was examined and given certificate No. 1835, dated 30th October 1937 under the title "Repentance or Meri Bhul or Tajayeli Taruni." The original version of the film known as "The unmarried wife or Kunwari Patni" was refused a certificate by the Board on the ground that it dealt with the premeditated seduction of girls and brought into contempt the institution of marriage. The present version is now passed by the Board after the owners had made several changes in it. The principal changes are as follows:—

(1) The main title is changed into "Repentance" or "Meri Bhul" or "Tajayeli Taruni."

(2) Shanta the heroine is married to Binod and not to Barrister Pramade. Ganga is shown repenting her folly.

(3) The dialogue of "Free Love" is curtailed considerably. In the new version in Reel 7 part of the dialogue where Ganga is head saying that Hindu Society is "Jungle" and that she would not follow the commands of such society is cut out. (24 feet).

Senior Surgeon.

OFFICE OF THE SECRETARY, KOLAR DISTRICT WAR COMMITTEE, KOLAR.

Notification No. A5. C. 2522—39-40, dated 1st November 1940.

APPEAL.

1. It is proposed, as an emergency measure for the duration of the War, to constitute "Civic Guards" for the Kolar District and the Kolar Gold Fields area. Recruitment will be on a voluntary basis and the nature of duties that may be entrusted to the "Civic Guards" is indicated below :

The Civic Guards are expected to render service in connection with the maintenance of public order, anti-sabotage measures and several other aspects of internal defence. They are to assist the regular Police forces in the District in emergencies and in case of local disorder or panic. They may be posted for duty at fairs and festivals, for patrolling the town by day or by night, for collecting information about "Fifth Column" activities and pro-enemy propaganda. In case of need, they will be posted for duty in connection with Air Raid Precautions and for assisting in local efforts regarding War Publicity and Propaganda organised by the District War Committee. They will not ordinarily be called out for duty beyond the local limits of their respective towns or the district.

2. Recruitment of volunteers as "Civic Guards" will be subject to selection by the Special Sub-Committee constituted for the purpose. Thirty-six Civic Guards are required for the Kolar District area and 100 for the Kolar Gold Fields area.

3. On selection, each volunteer has to provide himself with a pair of uniforms of an approved pattern (the cost of each pair being approximately Rs. 12), and be prepared to undergo the requisite training for two hours a day on two or three days in the week for the first month, and thereafter for one hour per week. No allowance will be paid during the period of training. The question of giving some duty allowance when the "Civic Guards" are called out for duty after the period of training will be considered as and when necessity arises.

4. Gentlemen who are desirous of joining the "Civic Guards" may send their applications in the form prescribed (hereto appended and to be had from this office) to the respective District Superintendents of Police on or before the 30th November 1940. Those between the age of 20 and 45, with a good physique and with the minimum educational qualification, *viz.*, a course in the Mysore Middle School or any other equivalent course only need apply. Exemptions will, however, be considered.

5. Government servants, as such, are not precluded from enlisting as Civic Guards. The services of School Masters and Scouters in charge of Scout Organisations are specially required for appointment as Group Commanders of Civic Guards.

6. It is earnestly hoped that in response to this appeal, many citizens of Kolar District would be ready to offer their loyal services and thereby supplement the War effort now being made by the Kolar District War Committee.

Secretary.

(b) Contributions need not be recovered from Local Bodies in respect of appointments kept substantively vacant for not less than a year. In such cases, however, the contribution payable in respect of such appointments should be paid in the first instance and then got refunded from the Audit Office by sending a bill, for the amount due, showing the period from and to which the appointment was substantively kept vacant and furnishing a certificate that the contribution payable on the pay of such appointments also has been credited to the treasury for the period in question. The revised procedure takes effect from 17th January 1939. The difference between the total amount of contribution payable on these lines with effect from 17th January 1939, and the total amount paid to end of 30th November 1940 on the basis of actual pay drawn, if any, may be adjusted along with the pensionary contribution payable during December 1940.

Circular in connection with the Refund.

It is observed that the public are remitting money to the treasury towards the cost of books, without ascertaining whether the books are available in the Book Depot and finding out the exact cost of the book with the result that the money paid by them has had to be refunded to them and unnecessary work has devolved on the office and the treasuries.

Lists of books (English and Kannada) which are newly printed and are ready for sale in the Book Depot are being published in the Gazette, every month. The lists are also available with all the Government Book Selling Agents and the Government Branch Book Depot Keepers in the State.

The public are therefore requested to refer to the said lists or make enquiries at the Central Book Depot, Bangalore, in the matter, before they remit money to the treasury.

It is also noticed that in some cases applications for refunds have been received in manuscript forms. As refunds are arranged in separate printed forms prescribed, applications for refund may be kindly made only in the prescribed printed forms so as to comply with audit requirements.

Deputy Commissioner.

OFFICE OF THE SECRETARY, KOLAR DISTRICT WAR COMMITTEE, KOLAR.

Notification No. A5. C. 2522—39-40, dated 1st November 1940.

APPEAL.

1. It is proposed, as an emergency measure for the duration of the War, to constitute "Civic Guards" for the Kolar District and the Kolar Gold Fields area. Recruitment will be on a voluntary basis and the nature of duties that may be entrusted to the "Civic Guards" is indicated below :

The Civic Guards are expected to render service in connection with the maintenance of public order, anti-sabotage measures and several other aspects of internal defence. They

are to assist the regular Police forces in the District in emergencies and in case of local disorder or panic. They may be posted for duty at fairs and festivals, for patrolling the town by day or by night, for collecting information about "Fifth Column" activities and pro-enemy propaganda. In case of need, they will be posted for duty in connection with Air Raid Precautions and for assisting in local efforts regarding War Publicity and Propaganda organised by the District War Committee. They will not ordinarily be called out for duty beyond the local limits of their respective towns or the district.

2. Recruitment of volunteers as "Civic Guards" will be subject to selection by the Special Sub-Committee constituted for the purpose. Thirty-six Civic Guards are required for the Kolar District area and 100 for the Kolar Gold Fields area.

3. On selection, each volunteer has to provide himself with a pair of uniforms of an approved pattern (the cost of each pair being approximately Rs. 12), and be prepared to undergo the requisite training for two hours a day on two or three days in the week for the first month, and thereafter for one hour per week. No allowance will be paid during the period of training. The question of giving some duty allowance when the "Civic Guards" are called out for duty after the period of training will be considered as and when necessity arises.

4. Gentlemen who are desirous of joining the "Civic Guards" may send their applications in the form prescribed (hereto appended and to be had from this office) to the respective District Superintendents of Police on or before the 30th November 1940. Those between the age of 20 and 45, with a good physique and with the minimum educational qualification, *viz.*, a course in the Mysore Middle School or any other equivalent course only need apply. Exemptions will, however, be considered.

5. Government servants, as such, are not precluded from enlisting as Civic Guards. The services of School Masters and Scouters in charge of Scout Organisations are specially required for appointment as Group Commanders of Civic Guards.

6. It is earnestly hoped that in response to this appeal, many citizens of Kolar District would be ready to offer their loyal services and thereby supplement the War effort now being made by the Kolar District War Committee.

Secretary.

The revised procedure takes effect from 17th January 1939. The difference between the total amount of contribution payable on these lines with effect from 17th January 1939, and the total amount paid to end of 30th November 1940 on the basis of actual pay drawn, if any, may be adjusted along with the pensionary contribution payable during December 1940.

Government having sanctioned in their Order No. Fl. 4660-76—S. & A. 548-34-3, dated 17th January 1939, a revised procedure for regulating the recovery of the pensionary contribution in respect of the pensionable employees of the Local Bodies, the following instructions are issued for the information and guidance of all Municipalities, District Boards and the Sanitary Board, Kolar Gold Fields.

I. Contribution due in respect of officials working directly under Local Bodies.

Where the appointments are on progressive pay the average pay thereof (*vide* Article 77 of the Mysore Service Regulations) in lieu of the pay actually drawn by the incumbents in those appointments should be taken as the basis for the calculation of the contribution payable.

(*b*) Contributions need not be recovered from Local Bodies in respect of appointments kept substantively vacant for not less than a year. In such cases, however, the contribution payable in respect of such appointments should be paid in the first instance and then got refunded from the Audit Office by sending a bill, for the amount due, showing the period

from and to which the appointment was substantively kept vacant and furnishing a certificate that the contribution payable on the pay of such appointments also has been credited to the treasury for the period in question. The revised procedure takes effect from 17th January 1939. The difference between the total amount of contribution payable on these lines with effect from 17th January 1939, and the total amount paid to end of 30th November 1940 on the basis of actual pay drawn, if any, may be adjusted along with the pensionary contribution payable during December 1940.

(c) The present procedure of paying the contribution monthly to the treasury remains unchanged.

II. Pensionary contribution towards the pensionable staff of the Local Fund Dispensary Establishment.

Contribution towards pension on account of the pensionable staff of the Local Fund Dispensary Establishment shall be paid annually, at 1/9th of the provision for salaries made in the sanctioned Budgets of Local Bodies on the basis of the information received from the Medical Department, by issue of a crossed cheque in favour of the Treasury Officers concerned for transfer credit to " Pension and Allowances ".

Notification No. M2. C. 166—39-40, dated 28th February 1940.

Under Section 12 of the Village Panchayet Act, the term of the present constitution of all the Village Panchayets in Holalkere Taluk which expires on 1st March 1940, is extended by one month up to 1st April 1940.

Notification No. M2 C. 166—39-40, dated 14th February 1940.

As the term of the present constitution of Kasthurirangappanahally Village Panchayet, Hiriyur Taluk, expires on 29th February 1940, action was taken to reconstitute the said Village Panchayet with effect from 1st March 1940. But it was reported by the local Revenue Officers that the election could not be conducted on the appointed date as the villagers did not co-operate and refused to take part in the elections. It was further reported that the work of the Panchayet could not even be managed smoothly owing to the extreme party feelings and agitations caused in the village.

Action under Section 54 (1) of Village Panchayet Act was therefore deemed necessary and an opportunity was given to the panchayet requiring them to appear before the undersigned on 6th February 1940 and to show cause as to why the panchayet should not be superceded in the circumstances reported by the local Revenue Officers. But the Village Panchayet members failed to take advantage of the opportunity given. Orders have therefore to be passed under Section 54 (1) of the Village Panchayet Act re-superseding the Village Panchayet for default.

In view of the report made by the local Revenue Officers, I am satisfied that the work of the panchayet cannot be managed smoothly and that it is not possible to make the Village Panchayet work satisfactorily.

In virtue of the powers vested in me under Section 54 (1) of the Village Panchayet Act, I therefore, direct that Kasthurirangappanahally Village Panchayet in Hiriyur Taluk be superseded for a period of two years from the date on which the term of the present constitution of the Village Panchayet expires owing to Village Panchayet's default in attending to their legitimate work. The Revenue Inspector, Javanagondanahalli Hobli, will exercise all the powers and duties of the panchayet during the period of supersession. (Section 54(b) of the Village Panchayet Act).

The Sub-Division Officer, Chitaldrug, is requested to take immediate necessary further action in the matter.
